FREE WEB PAGE

All domain names include a free web page so email any text/logos etc. you would like on your page to us at sales@start.biz

PROTECTION OF DOMAIN NAME

All names are protected against deliberate copying ie "cyber squatting" and we undertake all legal action and court costs to protect your domain name at no cost to you. These costs can add up to many thousands of pounds and it is essential that you protect your Internet business activity by registering your important domain names through us. The protection involves specialist legal representation and filing dispute resolution cases with the World Intellectual Property Organisation (WIPO) for gTLD names such as .com, with Nominet Dispute Resolution Services for UK names such as .co.uk and the Czech Arbitration Court for .eu names.

SECTION B Websites

SECTION D Media and Print

Company/Business & Website Image

When developing your company brand or image you need a concept and stationery design that is clean, clear, concise and adds benefit to your business. It is also vital that your 'design' does not conflict with another companies design or brand. We can create a complete company look and style and devise a logo and print your stationery to get your business going rapidly.

Logo Design and Concept, usable on Websites, stationery and other media

This includes verifying the mark or brand is not already trademarked and in use.

Once you have approved your design logo and concept we can build this into any website you have ordered with us and we can also print and deliver to you new stationery in the following packages:
